Organizing Committee

Chief Patron

- **Dr. K. K. Shukla**, Director, MANIT Bhopal
- **Dr. S. P. S. Rajput**, Dean (ID&IR), MANIT Bhopal
- **Dr. Nilay Khare**, Dean (R&C), MANIT Bhopal
- **Dr. G.S. Tomar**, Director (RECS) & Chair IEEE M.P. Section
- **Dr. K. V. Arya**, ABV- IIITM Gwalior

General Chairs

- **Dr. Deepak Singh Tomar**, HoD (CSE), MANIT Bhopal
- **Dr. Sushma Gupta**, HoD (EE), MANIT Bhopal
- **Dr. Yadunath Pathak**, CSE, MANIT Bhopal
- **Dr. Vijay B. Semwal**, CSE, MANIT Bhopal
- **Dr. Amit Ojha**, EE, MANIT Bhopal

Publicity & Technical Chairs

- **Dr. Prashant Singh Rana**, Thapar Patiala
- **Dr. Vivek Tiwari**, CSE, ABV-IIITM Gwalior
- **Dr. Mitul Ahirwal**, CSE, MANIT Bhopal
- **Dr. Ashish Kumar Sahu**, CSE, MANIT Bhopal

Finance Chairs

- **Dr. Surendra Suri**, CSE, MANIT Bhopal
- **Prof. M P S Chawla**, SGSITS, Indore

Hospitality & Registration Chairs

- **Dr. Akash Sinha**, CSE, MANIT Bhopal
- **Dr. Vaibhav Soni**, CSE, MANIT Bhopal

Student Coordinator(s):

- **Vinit Kumar**, vinitkumaratwork@gmail.com, +91-9215088948
- **Debangana Ram**, debanganam01@gmail.com, +91-7389954052
- **Himanshu Yadav**, himanshuy1411@gmail.com, +91-9799605264

Important Timelines

Paper Submission Start date	1 st July, 25
Paper Submission Deadline	15 th Oct, 25
Acceptance Notifications	1 st Nov, 25
Registration Deadline	10 th Nov, 25
Final Camera-ready Paper Submission	20 th Nov, 25
Conference Date	5-6 Dec, 25

Registration Fee Details

Indian Authors Students: (Ph.D./PG /UG)	IEEE Member	₹ 4,500
	Non- member	₹ 6,000
Indian Authors Academician/ Industry Personal	IEEE Member	₹ 6,000
	Non- member	₹ 8,000
Authors from Abroad	IEEE Member	\$ 150
	Non- member	\$ 200
Listener/ Attendees	IEEE Member	₹ 1,500

About the Institute:

Maulana Azad National Institute of Technology Bhopal (MANIT Bhopal) was started as Maulana Azad College of Technology (MACT) in 1960. It was declared as NIT in 2002 and an institution of national importance in India in 2007. The institute offers various undergraduate courses (including B.Tech and B. Arch) and post graduate courses (including M. Tech, MSc, MBA, MCA) and PhD research programs. Under various departments and centers, MANIT is producing technocrats who are resources to Nation and the world. The bright students of MANIT with excellent technical skills have always contributed to the successes of various sections towards the technical group.

The total area of campus is 650 acres. The entire campus consists of administrative and academic buildings, workshops, teaching blocks, learning resource center, library, community center, residential area accommodation for students and staff and other general amenities such as post office, shopping complex, a school for children, dispensary, auditoriums and sports complex with vast expanse of open area.

About the Departments:

The Computer Science and Engineering (CSE) Department were established in the year 1986. Since the inception, it has consistently created its place of excellence not only within the institute but among its counterparts in the country and abroad. Bright students from all the parts of the country for quality education in computer science and engineering at undergraduate, postgraduate, and doctoral levels are attracted. The department has highly qualified and competent faculty members, and adequate facilities to support teaching and learning activity.

The Electrical Engineering (EE) Department was established in the year 1960. The department offers undergraduate, post-graduation in Electrical Drives and in Power System and doctoral program. The department has highly qualified and competent faculty members and adequate facilities to support teaching and learning activity. The department has highly competent faculty members, staffs and research facilities to support academic and research.

About RSCM-2025 Conference:

RSCM-2025 is the 1st edition of the Recent Trends in Computing and Smart Mobility (RSCM-2025) Conference (Record NO - 67767). The conference series is started to bring together the researcher from computing and electrical background people to meet the insudty 4.0 standard and meet the goal of make in India mission. The objective of RSCM-2025 is to provide a floor for deliberations on strategies recent trend and innovative approaches of a different domain of CSE and EE like Machine Learning, Digital Signal Processing, Network and Information Security, Electrical vehicle, drone, mobile and robotics technology. In addition, this 1st International Conference will provide a platform for researcher effectiveness and technology used to present and discuss the recent innovations trends and practical challenges in the field of CSE and EE to promote research by selling innovative ideas among all levels of the scientific and civil community.

This conference brings together academicians, researchers, industry professionals, and students to discuss the latest state-of-the-art developments in the relevant fields. It will serve as a benchmark and platform supporting the vision of “**Aatma Nirbhar Bharat.**”

RSCM-2025, organized under the **IEEE Madhya Pradesh Section**, aims to foster collaboration among multiple stakeholders, encouraging the development of innovative solutions to unresolved challenges in research and implementation across various domains of **Computer Science & Engineering (CSE)** and **Electrical Engineering (EE)**.

Tracks:

1. AI, ML & Computational Techniques
2. Signal & Image Processing
3. Cloud & Big Data Technology
4. Quantum Computing
5. Cyber-Physical Systems
6. Robotics & Drone Technology
7. Internet of Things (IoT)
8. Electrical Vehicle
9. Electric Device
10. Application Of Electronics and Electrical Engineering.
